

ABOUT USCL

Welcome to the Upper Sandusky Community Library.

We have been serving Upper Sandusky and the surrounding countryside for over 100 years, beginning in 1912 when the USANDO Literary Club donated \$25 to a fledgling library fund. As our town has grown and changed over the years, so has USCL.

In recent years, we have expanded our focus from the traditional print media offerings to include popular movies on DVD and Blu-Ray, access to computers and wireless internet, as well as a plethora of downloadable and online resources that bring the library to you—wherever you are.

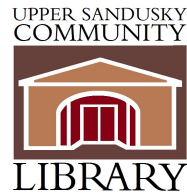

In 2004 USCL joined Serving Every Ohioan (SEO), a lending consortium comprised of over 90 libraries throughout the state of Ohio. SEO allows small libraries to think big, offering a huge selection of items to our patrons. As of this printing, USCL patrons have access to over 8 million books, magazines, and movies through SEO. These materials are checked out from and returned to USCL, just like the materials you borrow from us.

While keeping an eye toward the future, USCL also nurtures a reverence for our past. Our Heritage Room is an outstanding local history archive that allows patrons to dig deeply into our shared past.

Again, we warmly welcome you to USCL. We hope to become your first stop for education, entertainment, and anything in between. Please, never hesitate to ask any questions you may have. We are here for you.

This is *your* town, and we are *your* library.

Your Town. Your Library.
