

USCL Heritage Room

Providing Wyandot County history, genealogical resources and obituary services to patrons across the nation.

Newspapers on Microfilm

The Heritage Room has Wyandot Co. and Upper Sandusky newspapers from 1845 to present. We also have census records, area church records, court records, marriage licenses, births, deaths, and coroner's inquest records on microfilm. To explore these resources, we have two microfilm readers with printers.

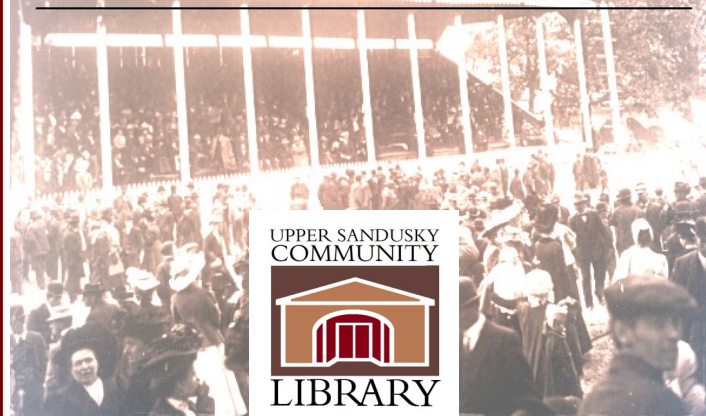

USCL staff are more than happy to provide a tutorial on usage of the microfilm readers at your request.
