

## KEEPING YOU CONNECTED

The Upper Sandusky Community Library is committed to providing library materials and information to all residents of its service area. To keep our patrons connected with our services, we offer delivery of library materials to patrons who are unable to visit the library due to illness, disability or lack of transportation.

Our trusted and valued volunteers provide delivery service on a two-week schedule right to our patrons' door. Caretakers and patrons alike can rest assured that no fines will ever be charged for any materials delivered through the Homebound Program.

*Homebound services may be discontinued or modified for any reason. It may also be temporary or permanent depending on the wishes of the patron.*
